Proper Treatment of Pneumonia.
 Pneumonia is too dangerous a
 disease for any one to attempt to
 doctor himself, although he may
 have the proper remedies at hand.
 A physician should always be called.
 It should be born in mind, how-
 ever, that pneumonia always re-
 sults from a cold or from an attack
 of the grip, and that by giving
 Chamberlain's Cough Remedy the
 threatened attack of pneumonia
 may be ward off. This remedy is
 also used by physicians in the treat-
 ment of pneumonia with the best
 results. Dr. W. J. Smith of Sanders,
 Ala., who is also a druggist says of
 it: "I have been selling Chamber-
 lain's Cough Remedy and prescrib-
 ing it in my practice for the past
 six years. I use it in cases of pneu-
 monia and have always gotten the
 best results." Sold by A. R. Kane.

Best Remedy for Constipation.
 "The finest remedy for constipa-
 tion I ever used is Chamberlain's
 Stomach and Liver Tablets," says Mr.
 Eli Butler, of Frankville, N. Y.
 "They act gently and without any
 unpleasant effect, and leave the
 bowels in a perfectly natural con-
 dition." Sold by A. R. Kane.

 house with 50-foot lot. In fine

Climatic Cures.
 The influence of climatic condi-
 tions in the cure of consumption is
 very much overdrawn. The poor
 patient, and the rich patient, too,
 can do much better at home by
 proper attention to food digestion,
 and a regular use of German Syrup.
 Free expectoration in the morning
 is made certain by German Syrup,
 so is a good night's rest and the ab-
 sence of that weakening cough and
 debilitating night sweat. Restless
 nights and the exhaustion due to
 coughing, the greatest danger and
 dread of the consumptive, can be
 prevented or stopped by taking Ger-
 man Syrup liberally and regularly.
 Should you be able to go to a warm-
 er climate, you will find that of the
 thousands of consumptives there,
 the few who are benefited and re-
 gain strength are those who use
 German Syrup. Trial bottles, 25c;
 regular size 75c. At A. R. Kane's.

Begin the Year by Figuring a Little
on the Future.

If you are looking for opportu-
 nity or investment try the Southwest.
 All over the Southwest, cities and
 towns are growing up, expanding,
 requiring more, demanding more,
 peopled by eager, pushing, wide-
 awake citizens, who see the virtue
 of encouraging enterprises of every
 kind, the needfulness of getting
 more and better facilities, and more
 hands to develop the country.

Briefly, the condition is this: The
 Southwest is really in need of nothing
 save people. More men are
 wanted. In the Southwest are vast
 areas of unimproved land—land not
 yielding the crops of which it is ca-
 pable. The same thing, in a differ-
 ent way, is true of the towns. Few
 lines of business are adequately
 represented. There are openings of
 all sorts—for mills and manufact-
 uring plants, for small stores of all
 kinds, for banks, newspapers and

 was able to go to work as happy as
